**This months meeting...**

We will be back on our normal schedule this month, meeting at the hangar mid morning on Saturday the 20<sup>th</sup> to work on the Stinson and clean up a bit. Lunch and a brief meeting will be at noon.

**Our Sub Hunter...**

COL Steube and the rest of the Stinson team will be hard at work on Saturday morning. The little yellow bird is closer than ever to taking flight, and the punch list gets smaller each month. Pretty soon we'll take her over to Buddy's for a final inspection and we will be on our way.

**the Indian...**

The Indian is still down at Earl's Harley Shop, so we're planning to go on a short road trip to bring her back to the hangar. The Armed Forces Museum in Hattiesburg has done an outstanding job maintaining this 67 year old piece of our history. We hope to use it in conjunction with the Army Jeep for photo opportunities at our local air shows and events. It has to potential of being a great fund raiser.

**and the Jeep...**

With the Stinson project nearing completion, we are beginning the search for a crew to get the Jeep on the road again.

Although it has been a while since she's been run, it is really in good shape. With a some TLC and a little elbow grease, we can have it going again in short order. If you

would like to be a part of this team, please let one of your MS Wing staff members know.
