This Months Meeting

Well troops, it looks like we are going to have at least one more really nice weekend before the weather turns nasty. This Saturday the 21st, we will be meeting at the MS Wing hangar mid morning to work on the Stinson and other projects. At noon we will have lunch followed by our monthly meeting. Since the weather is nice there will likely be some flying too, and with any luck, we may get a visit from some 'heavy iron'...

New Members

Please join me in welcoming our newest members to the Commemorative Air Force. COLs Brian Young, Sandra Hollingsworth, and Jason King have all recently become full members of the Commemorative Air Force, and the Mississippi Wing. Each of them share our vision and goals of the CAF, and have offered their time, resources, and talents to this great organization. Let's be sure to help them feel welcome, and get them plugged into all of our activities.

Unit Elections

Once again it is time to nominate and elect members of the MS Wing staff. The nominating committee is working now to identify those who are willing and well suited to serve. The nominees will be presented to you in the coming week, and elections will be held at our annual Christmas party on December 11th at the home of Danny and Suzanne O'Keefe. Look for invitations to go out next week.

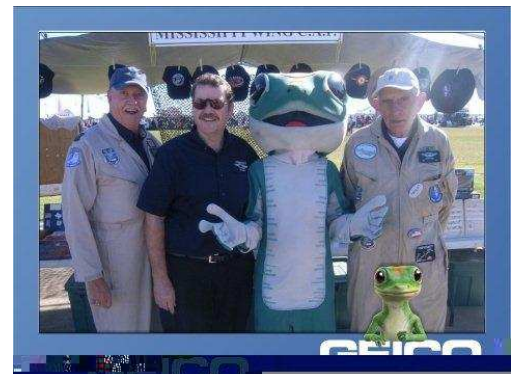

Stinson Progress

With all the activities that have taken place over the last month, not much time was left for the 10A. If you have checked the [Stinson News](#) link on our web site lately, you haven't seen many updates. Hopefully we that will change this weekend and we will get back on track for completion soon.

PX news

This has been a very busy season for our PX crew. Having raced out to Midland for Airsho 2009, Tony, Bob and Keith got rained out and had to return with nearly a full load of merchandise.

Not to be deterred, the trio headed back out to the great state of TX. This time the Houston show was on their radar screen, and due to some AWESOME weather, record crowds, and excellent salesmanship never before seen west of the MS, the boys skillfully and without hesitation sold every bit of merchandise in the MS Wing PX. Congratulations guys and thank you for your hard work!
